Experience

 **Cercacor Laboratories.** • October 2022 - Present

My role at Cercacor Laboratories is a UX Interaction Designer. I work on structuring UX interaction flows, create design strategies for the team, and UI design. I am currently also leading usability testing of the company's product.

Profero Group. • September - November 2022

My role at Profero Group was a Design Intern at the Creative Services Team. I mainly worked on UX and Graphic design for companies like Janssen and AstraZeneca. I also assisted and collaborated with the Research team with analysis.

 **SCADpro x Deloitte.** • March - May 2021

SCAD is collaborating with Deloitte to research and develop concept of the Future of Creative Commerce. My role in the UX and research team was coordinating all the interviews, research methods, and ideation process, and developing the storytelling strategies.

Pentabreed. • January - February 2021

As an user experience intern, my role was to conduct competitor analysis for a project with Smilegate, assist with UI design for Hyundai Card and assisted in redesigning the web user interface for Pentabreed.

SCADpro x The Coca-Cola Company/ AMC • September - November 2020

SCAD is collaborating with Coca-Cola and AMC to research and develop concepts to redesign the in-theater experience. My role for this project was the research lead and the UX team lead. Our team organized all plans for secondary and primary research, and analyzed all data for presentations. Also, I introduced a new rewards program concept to AMC.

Leadership

Student Ambassador, SCAD. • April 2019 - June 2022

Vice President of Korean Student Association. • April 2019 - July 2021

International Student Assistant, SCAD • April 2019 - September 2020

Awards

Project Manager & Research Lead/ ALLergy.
2022 Indigo Awards (1 Gold, 4 Silver, 4 Bronze)

Allergy is a three-step ecosystem designed to reduce the occurrence of human error when dining out for those with mild, moderate, or severe dietary restrictions, facilitating safe and stress-free dining experiences.

SCAD StartUp 2022 Fan Favorite Award. • February 2022
